

"Together we  
achieve!"

## Get extended pump life...with G&L Packaged Seal Kits.

Replacing only a mechanical seal and not a badly worn or scarred shaft sleeve, or a damaged or old O-ring, frequently can cause premature failure of the newly replaced parts.

Our new G&L Seal Replacement kit for end suction pumps provides a complete set of recommended rotating parts and O-rings to insure maximum pump life.

## RPK3656M2-SC

### G&L SEAL REPAIR KIT
